

## ORTA Greeting Cards

Garry Conway's spectacular photographs are now available in sets of blank greeting cards as a fundraiser for the ORTA. There are two series available: a "Winter" series suitable for Christmas cards or for accompanying a special holiday gift, and a "Spring" series suitable for sending other warm messages. In addition a package of either series makes a lovely gift in itself.

Each series has five different images on high quality photographic paper and card stock, including envelopes.
