PRESIDENT'S CHAT

BY WILMA MILLAGE

I am composing this in January while I look out at a light covering of snow on the ground and a temperature of -20 degrees.... It is hard to imagine that you may be reading this on a sunny day in April, perhaps even having seen the first Spring flowers!

I hope you have had a chance to take a look at our wonderful new website that was designed by Vicky Chan, our Publicity Director. She took this project on with great enthusiasm and skill. We had been talking about a redesign for

months and Vicky just came in and made it happen! It is volunteers like her who make things happen in ORTA.

Malcolm Hann worked very closely with Vicky to get the new hike listings set up and we have heard many enthusiastic comments about how well they are working. Most of our hike leaders are finding it easier now to enter the information on their hikes and to add hikes or make changes to information as required. Our hike numbers keep increasing and our enthusiastic team of leaders keep taking us to new places as well as visiting our old favourites.

Our Board held a follow-up meeting to look at the future of ORTA and you can read about what happened there in an article included on page 4 of this issue of Trail Talk. Thanks to all those who participated in this important activity to make sure that ORTA continues to grow and serve the needs of its members in the future.

Kevin Lowe and Frank Alexander continue to work on the new data base for ORTA and we hope it will be coming soon. Now that we can pay for our memberships on-line it would be great if we could also update personal information and retrieve report info more easily. This is a critical information cache that has to be implemented carefully so it is wise to be patient and make sure we implement the right program to serve our needs.

ORTA works well because we have so many interested and talented volunteers making things happen. What skill or talent do you have to offer? We are looking for new Board members to bring their skills and ideas to help us move forward in 2015. Please contact us if you would like to be part of our team.

ORTA AWARDS

2014-2015

Each year, the Association seeks to honour those Members who have made significant contributions to our advancement and the development of the Oak Ridges Moraine Trail.

The selection is made by the Awards Sub-committee based on nominations from Members and the Awards are presented at the Annual General Meeting. There are a few guidelines we follow, such as a person can only be rewarded once for a particular contribution.

Please submit nominations by March 16th to Wilma Millage at (905) 853-2407, or Patricia Ward at secretary@oakridgestrail.org or by phone (416) 449-3848, or Peter Schaefer, by email at past-pres@oakridgestrail.org or phone (905) 476-0413. We would like to learn in just a few words about the contributions for which the person is being commended. Check our website to see the list of past recipients. The awards are:

Outstanding Member / Member of the Year Award – *one award each year presented to the Member who in recent years has done the most to advance the purposes of ORTA.*

Commendation Awards – *a maximum of 6 are awarded each year to Members who have made specific contributions to the management and development of ORTA and its programs.*

Trail Builder Awards – *a maximum of 4 are awarded each year to individuals who have made significant contributions to the building and maintenance of the trail.*

Lifetime Achievement Award – *an occasional award when especially merited. The recipient will be one who has made a significant contribution of his or her time and expertise to the work of ORTA over a sustained period of 5 to 10 years.*

END TO END HIKERS

When you have hiked the full length of the Main Trail, you qualify to wear an End-to-End Chevron under your ORTA Badge. If previously you had completed the trail from Palgrave to Gore's Landing, we look forward to hearing from you if you now have hiked the extensions to Mono Mills and Castleton / Warkworth. We will provide a Certificate which acknowledges this achievement. Please send your log to our Hike Co-Ordinator, Malcolm Hann at hikes@oakridgestrail.org or mail it for his attention to our office address.

Proposed Amendment to Mission Statement

At its meeting on January 24, 2015, the Board of Directors of the Oak Ridges Trail Association agreed to propose to members an amendment to Article II (Objects) of By-Law 1 of the Association at the upcoming Annual General Meeting. The new Article II would read:

Article II – Objects

1. *To build and maintain a public hiking trail system on the Oak Ridges Moraine.*

SPOTLIGHT ON...

KATHY AND BRIAN CLARK

BY BRIAN MILLAGE

ORTA is fortunate to have many hike leaders with different skills and interests - but all have a love of the outdoors in common.

Kathy and Brian Clark are one of several husband and wife teams who bring varied backgrounds and enthusiasm to the ORTA hike leader group and have been leading ORTA hikes for the past 5 years- how time flies. Both have strong environmental backgrounds while Brian also specializes in Scuba instruction and first aid. Kathy took on the position of Aurora Chapter Chair for a period of time in addition to her busy professional life.

The Clark Team decided to lead slow to moderate speed hikes on alternate Sundays thus providing a hike and social option for a wide variety of both new hikers and the more experienced group.

Kathy and Brian received special recognition for their efforts with a commendation at the 2014 Annual General Meeting. Their friendly welcome and consistent support for all levels of hiker have resulted in a steady following on the Oak Ridges Trail. Keep on Trekking!

ANNIVERSARY HIKE & CHRISTMAS PARTY

BY WILMA MILLAGE

It was a bright, sunny, cold day for a hike but we still had close to 60 people join us for our 11th anniversary hike on December 8th. It is a great excuse to all get together and have some fun and that is exactly what we did! After our usual toast and butter tart squares at the 'chapel' we all trekked back to our cars to go on to the ORTA Christmas party at the Goodwood Hall where we were joined by a host of other members who couldn't make it to the hike.

Thanks to Katy and her helpers, the banquet was laid out featuring all the delicious foods that everyone had brought along for the festivities. It seemed that the dessert section was particularly well stocked, including, Ed's famous trifle. And of course there were libations for thirsty hikers served up by Russ.

As usual, Jacky entertained us with one of her original songs - this year was the 12 Hikes of Christmas. It was a fun song and everyone joined in for the usual chorus.

Thanks to all the volunteers who make this such a festive occasion and from Brian and I personally, it was wonderful having so many of you celebrate our wedding day tradition!

UPDATE FROM THE BOARD OF DIRECTORS MEETING

BY MICHELE DONNELLY

Your ORTA Board of Directors was hard at work on Saturday January 24th, 2015. As well as the usual business of the Board, they were looking at the challenges that will be faced and opportunities that ORTA can take advantage of over the next few years. Kevin Lowe presented a PowerPoint on a new database system that we may implement to better serve the needs of our membership.

They were also discussing the upcoming 2015-2016 Board membership. If you have skills that you would like to offer to our board with regards to, publicity, database management, chapter committee, membership, or any other areas of expertise, please

contact one of the members of the Nominating Committee - Peter Schaefer, Frank Alexander or Wilma Millage.

After the regular business was completed, Kim Aagaard led the team in a discussion of ORTA's mission statement and future activities. Please see the details to the proposed amendment to the mission statement on page 2 in the notice of the AGM.

ADVENTURE RELAY #9

SATURDAY, JUNE 13, 2015

Hello ORTA Members! Your Adventure Relay Committee has been hard at work since early January planning ways to make our 9th Annual Relay a Racing Success! This year, we are pleased to introduce the new owners of the Relay launch property, George and Denise Jones, who have agreed to host the 2015 Relay. We look forward to our new partnership in continuing the Relay tradition.

Each year with the help of ORTA members the Relay has been bigger and better, with 35 teams last year, and 3 of them at corporate level. The latter is important as this is our major fundraising event of the year and corporate sponsors are major contributors to our volunteer efforts on the Oak Ridges Moraine Trail. The funds raised help pay for insurance, leader and first aid training, boardwalks and trail equipment, and our office in King City where Michele is such a valuable and enthusiastic front line representative of ORTA and the Relay.

Circle June 13th on your calendar now so you won't miss the excitement. Note, we have moved from Fathers Day weekend to the 2nd weekend in June. You can get involved at one of the 15 checkpoints as part of a team recording times, providing refreshments, directing traffic and advice and cheering on competitors. Each year over 100 ORTA volunteers help make this the memorable event that provides memories and keeps teams coming back year after year.

You may know a group that would like to form a team - invite them! Perhaps you have a corporate connection - encourage them to support ORTA. Last year Mercedes-Benz Canada, Mazda Canada and Golder Associates all met the Challenge of the Moraine and entered teams. George Schneider and Golder Associates have been enthusiastic supporters for 4 years!

We look forward to sharing the excitement of the event with all of you again this year!

For more information contact Michele Donnelly at the ORTA office (905-833-6600) or by email at info@oakridgestrail.org. She has posters and brochures for distribution. Also, check out the website www.oakridgestrail.org and hit the Adventure Relay link.

SUNDAY HIKES FOR SLEEPY HEADS

BY HEATHER COOPER

I admit my choice of hikes is partially guided by the start time. One of the great pleasures of retirement is not setting the alarm. Certainly you will never meet me on the Saturday early bird hike. Since Harold Sellers and his Sunday Strolls left town, I'm happy to say I've found some enjoyable replacements.

If you'd like a chance to hike in new locations, I'd recommend David Francis' series of hikes. They start at respectable hours like 11:00 AM, or better still, 1:00 PM. David has taken me to places I hadn't visited in years: conservation areas like Scanlon Creek, Glen Haffy and Tottenham, Earl Rowe Provincial Park and Simcoe County forest tracts. David is very active in his own community near Tottenham and it's always interesting to hear what he's involved with. We both enjoy photography along the trail. David is skilled at conveying his hiking enthusiasm to others. I once saw him persuade a reluctant teen to continue by suggesting she lead the whole group. Problem solved. You can learn a lot from David.

If you prefer to enjoy more familiar places, Brian and Kathy Clark lead a great series of Sunday hikes. Start time is a user friendly

2:00 PM, and Brian gives out chocolate halfway. What's not to like? The Clarks draw three potential hike routes out of a hat, then repeat them in each season. It's amazing how different the various York Region Forest tracts can seem, using this method. One of their favourites is the February snowshoe hike in Secord/Goodwood. Brian and Kathy also have lots of interesting travel stories to share, and you will be in steady hands under their guidance.

A final bonus of Sunday hiking is the chance to meet people who may not be "regulars", including young people, Monday-to-Friday workers, new Canadians and families. The group size tends to be smaller, which affords lots of opportunities to mingle. It's a chance to make new hikers aware of things like Discovery nights, the York Region Forest trail booklets and recommended equipment like icers. You can play a valuable role in making these weekenders feel welcome to ORTA.

See you on Sunday!

TRAIL BITES – RHINO'S ROADHOUSE

BY KIM AAGAARD

Rhino's Roadhouse has become a popular landmark on the southernmost end of Rice Lake in the village of Bewdley (ORTA maps 9 and 10), attracting many motorists, hikers, boaters, snowmobilers and motorcyclists since opening in January 1988. The Oak Ridges Moraine Trail goes right past its door along the shore road that goes through town and the canoe section of the Adventure Relay finishes on the beach directly across the road from this purveyor of fine pub-grub. (www.rhinosroadhouse.com, open daily from 8:00 AM to 9:00 PM.)

Should you arrive in Bewdley peckish and thirsty from hiking in the Northumberland area, Rhino's offers a variety of comestibles for discriminating palates. Meat dishes, pastas, sandwiches, wraps, beer-battered fish and chips, salads and WINGS are examples of menu offerings (look for daily specials on the whiteboard) to be had while enjoying the views across the lake. All sauces and gravies are prepared on site under the supervision of Chef Gary Conroy and the desserts are home-made as well. There is an outdoor patio for use in the summer and the long tenure of attentive wait staff speaks to Rhino's success with patrons.

The restaurant is licenced and offers four kinds of beer on tap. Thursday is Wing Day and the soon-to-be-published Unofficial ORTA Food Guide will be listing "wings" as a separate (and complete) food group – particularly when accompanied by a flagon of ale.

Ownership of Rhino's is scheduled to change hands in February and new owner David Austin assured the writer that he wants to continue the restaurant's tradition of quality fare and good value. (David has an extensive background operating

fish and seafood restaurants.) Outgoing owner Heather Spence had considered converting some upstairs space into B&B accommodation. This could be of interest to those planning to explore the area and perhaps Mr. Austin will see these plans to completion. Bon appétit!

P.S. Just up the road (Highway #28) in the town of Bailieboro is "Doo Doo's" – a bakery and café with a tasty selection of butter tarts. It is one of the bakeries featured on the Kawartha/Northumberland Butter Tart Trail. (Now that's a 'trail' that should be in our guidebook!)

KENYA

July 5 to 17, 2015

Have you always wanted to go on a safari but can't see yourself sitting in a jeep all day long, day after day? For active travellers like ourselves, a **walking safari** is the perfect way to get to know Kenya. It really gets you up close & personal with the animals - and there are A LOT of animals to be seen. In addition, there is the natural beauty of the land and the proud heritage of its tribes; we have included many extras as part of our program so that you will have a complete Kenyan experience.

As animal lovers, walking amongst giraffes and zebras is a big draw but we felt that the trip should encompass the culture as well. So we added a lecture by the tour owner (who is from the Kikuyu tribe), a visit to a weaving cooperative, visits to Masai homesteads, a visit to a local elementary school, a visit to a local market (not a tourist market but a regular market where locals would shop), and a tour of a tea plantation.

We are very proud of the program we have put together and this trip has easily become one of our favourites of the year. Take a **walk on the wild side** with us this July; it's one of the coolest months of the year in Kenya!

PERU & MACHU PICCHU

September 12 to 25, 2015

Spend a week exploring the Sacred Valley of the Incas by hiking through the famed salt pans of Maras, the ancient ruins of Pisac, and trekking high up into the Urubamba mountain range. Then that all important day arrives when we hike into Machu Picchu – rounding the corner of the Sun Gate and seeing Machu Picchu with your own eyes will give you goose bumps. From the Sacred Valley, journey south to Lake Titicaca for hikes on Uros, Amantani and Taquile islands.

**Do not to delay in making your reservation.
Inca permits must be booked now to ensure we get into Machu Picchu on our desired date!**

TURKEY

October 17 to 28, 2015

Hike in Cappadocia with its secret frescoed churches, underground cities and volcanic tuff sculpted into fairy chimneys. Visit ancient ruins, shop the bazaars of Istanbul and take a history lesson through time. Steeped in tradition and a masterpiece of nature, Turkey will impress you.

CUBA

November 1 to 13, 2015

Forget the resorts and come see the real Cuba! Hike through jungle-like forests, picturesque colonial towns & sugar cane fields. Explore the Viñales Valley, swim in the San Juan River pools & have lunch on a coffee plantation. Get a true feel for what Cuba is really all about – culturally, scenically and historically, and have yourself an experience you will talk about forever.

THE ENCHANTED ISLANDS OF GALAPAGOS

BY JUDY AND BOB COMFORT

In November/December, our trip to the “Enchanted Islands” of Galapagos was another bucket list experience. As a Unesco World Heritage Site, it is a magical place to visit. There are animals which are only found there- 1000 km off the coast of Ecuador-and have been so since prehistoric times. Volcanoes have formed 13 large islands, 6 smaller ones, and many islets, and this archipelago is still under formation. Each island is unique, and we stayed in small family-owned hotels on 4 of them. Getting from one island to another involved a 2 to 3 hour speedboat ride. With our Exodus group from England (7 Brits and 2 Canadians), an Ecuadorian guide, plus a local guide on each island, we were well taken care of.

We had hikes every day in order to explore the flora and fauna where we were staying. We walked among giant tortoises, colonies of sea lions with their pups, and marine and land iguanas. The ocean, an amazing shade of turquoise contrasting with the black lava

rocks, volcanic and white sandy beaches, was a playground for us as we snorkeled and swam among sea lions, sting rays, sea turtles, tropical penguins, white-tipped sharks and a huge variety of colourful fish. A must-see was the Blue-Footed Booby!! We also saw frigates, pelicans, flamingos, Darwinian Finches, mocking birds, various warblers and many other endemic birds.

The most spectacular trek was up to and around the Sierra Negra Caldera on Isabela Island. It was a ‘wild camping’ trip for 2 nights. Our tents, sleeping mats, food, water and small duffle bags were carried by porters on horses, and we each had our day packs. The first hike was 17km around the crater rim and across stark lava-strewn landscapes with bizarre volcanic features like steam fumaroles and cacti. The second day hike was a descent into the crater to see the steaming, bright yellow, smelly sulfur deposits. It was hard to imagine this used to be farm fields and forests!

This trip was wonderful! We walked freely among the animals; we learned more about the tortoise named Lonesome George through visits to breeding stations and the Charles Darwin Research Centre; we enjoyed wonderful food, beaches, small towns and spectacular scenery in a wildlife paradise.
