PRESIDENT'S MESSAGE

On Thursday April 27th we hosted our 25th anniversary meeting. The event was held at the Goodwood Community Centre, a change of venue from past years when we used the hall at All Saints church in King City. The turnout was excellent and the business meeting proceeded smoothly and quickly. Congratulations to those recognized for their contributions to ORTA.

Our Guest speaker, David Crombie, who had addressed the members at both the initial meeting of what

would become ORTA, the tenth year, and now our 25th anniversary, gave a powerful address to the members. More details are available elsewhere in this issue.

Wearing my other hat as a Hike Ontario Hike Leader Instructor, I recently delivered a training session for 16 prospective hike leader candidates. We had the use of the amazing Bill Fisch Education Centre courtesy of the York Regional Forest Authority and enjoyed an engaging and rewarding day both in the classroom and on the nearby trails. Fourteen of those attending were ORTA members, a talented bunch indeed, who will go on to become excellent hike leaders.

Congratulations to the following individuals who are now Certified Hike Leaders:

Noel Bain	Jane Hu
Rhys Beak	Mark Humphrey
Muriel Cober	Nancy Marr
Bruce Cohen	Kelly Mathews
Reza Farmand	Ed Millar
David Fowler	Bill Patterson
Adeline Griffen	Leila Ram

Watch for them leading hikes on the trails and acknowledge their accomplishment and dedication!

Kevin Lowe, President

MACHU PICCHU, PERU

September 15 to 27, 2017

Explore the Sacred Valley of the Incas by hiking through the famed salt pans of Maras, the ancient ruins of Pisac, and trekking high up into the Urubamba mountain range.

Then that all important day arrives when we hike into Machu Picchu – **rounding the corner of the Sun Gate and seeing Machu Picchu with your own eyes**

will give you goose bumps!

(Note: This trip does not involve ANY camping – all accommodations are in hotel & lodges.)

NORTHERN LIGHTS NORWAY

February 14 to 24, 2018

Capture some of the most fascinating and fun adventures Norway is known for like cross-country skiing, dog-sledding and snowmobiling plus Mother Nature's lightshow - the Aurora Borealis (a.k.a. the Northern Lights). Home base is Tromso - one of the best places in the world to see the Northern Lights.

Also visit the capital, Oslo, for a little cultural exploration.

Part of the C.H.H. Adventure Collection.

The perfect answer for those who love hiking holidays but wouldn't mind a few other activities as well. Our C.H.H.

Adventure Collection caters to your love of adventure and the outdoors, but we've expanded the focus to include other active pursuits. You will likely try an activity you've never tried before!

AMALFI COAST, ITALY

**TWO DEPARTURES: April 9 to 21, 2018
and October 8 to 20, 2018**

Italy never fails to capture the hearts (and stomachs) of its visitors, and the Amalfi Coast lives up to that reputation - towns perched impossibly on mountainsides, one of the most famous stretches of coastline in the world, sapphire-blue water in every direction, an infamous volcano and some of the finest Limoncello anywhere. Come hike in Sorrento, Positano, Amalfi and on the posh island of Capri.

PROVENCE & COTE D'AZUR

April 2018

French provincial charm and Mediterranean opulence combine in the South of France for "*une experience magnifique*". Beginning in Avignon in Provence, hike under the jagged ridge of Les Dentelles de Montmirail, descend into the Nature Reserve of Gorge Du Gardon and visit the famous Roman aqueduct, the Pont du Gard. Then it's over to the luxurious Cote d'Azur to explore the "*villages perchés*", like Eze and Peillon with their narrow cobblestone lanes, church squares & communal washing stations. Contrast that with a coastal hike around Cap Ferrat, where some of the world's wealthiest people call home. Plenty to see & do including Nice, Grasse (perfume capital of the world) & Monte Carlo, so grab a baguette & come!

FOR THE LOVE OF BIRDS & NATURE, 17th BIRDATHON

This past May I completed my 17th Birdathon in support of the Oak Ridges Trail Association. What is a 'birdathon' you ask? It is a Canada-wide event, organized by Bird Studies Canada (BSC), that has taken place each May since 1976. The 'birder' (that's me) chooses a day in May and spends up to 24-hours outdoors identifying as many bird species by sight or sound as possible. The month of May is chosen as it is the peak of migration and provides the best opportunity to see a large number of species - and the birds are a bit easier to find as they are in their bright breeding plumage. Since a portion of the funds I raise are given to ORTA I undertake my Birdathon hiking the Oak Ridges Trail.

Can you help me reach my fundraising goal? I set a target of **\$1250** and as I write this I have raised just over 50% of my goal. If you can pledge support for my 17th Birdathon please contact me at diana.piche@sympatico.ca or visit my fundraising page, hosted by BSC, at <http://birdscanada.kintera.org/birdathon/diana4orta>

- **All donations of \$10 or more** automatically receive a **tax receipt** from BSC; and
- Donations over \$35 also receive a one year subscription to Bird Watch Canada (4 issues)

With your support I look forward to another successful BIRDATHON. For more information on BSC please go to their website at: <http://bsc-eoc.org>

A bit about BSC:

Their mission is to conserve the wild birds of Canada through sound science, on-the-ground actions, innovative partnerships, public engagement, and science-based advocacy.

They are a national charity built on the contributions of thousands of supporters and Citizen Scientists. Using data from volunteer monitoring programs and targeted research, scientists identify significant population changes and direct conservation planning.

Their head office is located in Port Rowan Ontario and they operate banding stations in Long Point on the shores of Lake Erie. If you have an interest in birds or just enjoy watching them I strongly encourage you to take a road trip to Long Point.

Ruffed Grouse

Their banding season usually runs from April 1st - June 15th and August 15th - November 15th. Banding occurs 7 days per week and the visitor centre is open from 9am - noon. Owl banding occurs every evening in the fall starting about the end of September until early November. The public is welcome to attend the banding station for that - starting each day about one hour after sunset.

CELEBRATING 15 YEARS OF PROTECTION FOR THE OAK RIDGES MORaine AT QUEEN'S PARK

On Monday April 24th, 2017, Klaus Wehrenberg and Michele Donnelly of ORTA were honoured to join Ontario Nature, EcoSpark, STORM Coalition, Earthroots and other advocates for the moraine to commemorate the 15th Anniversary of the Oak Ridges Moraine Conservation Plan (ORMCP) at Queens Park.

Julia Munro, MPP for York Simcoe, acknowledged all of these groups in the Legislature: "It is my pleasure to rise today to acknowledge an important milestone that has had a long-lasting impact on the protection and conservation of our important natural heritage and water resources in southern Ontario. This weekend was the 15th anniversary of the Oak Ridges Moraine Conservation Plan. I am pleased, as a long-standing member of this House, to have been here on December 13, 2001, when the Oak Ridges Moraine Conservation Act received third reading by an all-party unanimous vote...On behalf of the countless numbers of community groups and individuals, I'd like to say thank you. To my colleagues in this House, I urge you to continue to build on the legacy laid down by our government 15 years ago."

Debbe Crandall of STORM Coalition notes "This anniversary is an important moment to take stock of how far we've come and where we need to go to protect all vulnerable water supply areas across the Greater Golden Horseshoe. Please continue to support our efforts to protect other moraine systems across the Greater Golden Horseshoe."

AGM 2017

By Lissa Dwyer

Our Annual General Meeting held on April 27th, 2017 at the Goodwood Community Centre drew one of the biggest audiences ever - almost 100 people attended! Hikers who joined Brian Millage to travel the Secord Tract were greeted with delicious refreshments just as the rest of our guests arrived. This meeting provides an opportunity to thank and recognize everyone who participates in the organization without whom ORTA could not function. It truly takes an army to complete all the tasks that allow us all to enjoy our experience. From selling the 50/50 tickets at the door, setting out trays of sandwiches and treats and welcoming our guests at the door, even the AGM needs a lot of help to pull off! Kudos to all!

The formalities of the meeting included a review of the accomplishments by the various Chapter Chairs and Regional Director, all found inside the Annual Report which will be available online or at Discovery Night. Bob Alexander, our Treasurer explained the successful review of our financial picture by Paul Stainton. Malcolm Hann's Hike report revealed that over 350 hikes with almost 4,000 hikers travelled almost 40,000 km!

Known to most avid hikers, Klaus Wehrenberg was welcomed to the Board. A tireless advocate for trail network, preferably off road, Klaus will bring a fresh perspective to this new role.

Following the official meeting and a chance to top up our glasses, we welcomed Toronto's former mayor and current Commissioner for the Waterfront Trail Foundation, the Honourable David Crombie. David was part of the original meeting which contributed to the formation of ORTA, then delivered a keynote address at the 10th Anniversary celebrations. For the record, he has promised to be there for us again when we celebrate our 35th Anniversary! He expressed great pride in the success of ORTA and all the people who contribute so much to make it work. He positioned ORTA as being on the forefront of the revolution in building a positive relationship with nature. Reflecting back many years, he honoured Charles Sauriol as a pioneer trail advocate and Jane Jacobs who encouraged people to be aware and participate in their communities. He suggested that ORTA was continuing their legacy (fine company indeed!) Bringing his thoughts into a contemporary framework, he suggested that just as Toronto is largely defined by its waterfront, the Oak Ridges Moraine Trail also contributes enormously to the quality of life for all. These contributions extend beyond the physical to the economic, ecological and social, all of which are interdependent. Several members had excellent questions which he deftly answered. His charisma was very much appreciated by all.

Commendation award presented to Bill Pressmar from Wilma Millage and Kevin Lowe.

SUSQUEHANNOCK LODGE and TRAIL CENTRE

Hiking in the Highlands of North Central Pennsylvania

CANADA DAY July 1 - 4
Celebrate two national holidays!
LABOUR Day Sept. 1-4

The Lodge is located in Potter County, Pennsylvania, 2.5 hours south of Buffalo. There is no agriculture or industry in the area, just great trails. Daily hikes of 10 to 15 km are led through hardwood forest, many beside mountain streams. Our lodge provides comfortable accommodation & excellent meals for \$70.00 semi-private or \$75.00 private USD per day per person. These outings have proven to be popular with the lodge filling quickly.

CELEBRATE 25 YEARS WITH ORTA—1992–2017

This is a big year- ORTA is 25, the BTA is 50 and Canada is 150 years young! Let's celebrate by inviting friends out on trail to appreciate all that Canada's environment has to offer. ORTA is again on track to offer over 300 guided hikes across the Oak Ridges Moraine Trail and elsewhere. Come and join the fun!

The ORTA 25th Anniversary committee has been busy planning special events to make this a memorable year. Start with the AGM on April 27 as David Crombie, former mayor of Toronto and long-time trail supporter, is our featured speaker. David was there at the ORTA beginning, spoke at our 10th AGM and now at our 25th. Paul Jarvis has been collecting memorable photos for a DVD retrospective of the first 25 years— did we really look that young? We recently had a long-time member return and comment on the impressive changes that have occurred: 270km+ of trail, 300+ hikes, website, Relay, Discovery Nights. Sometimes you just have to step back and take a look at the progress.

Stan Butcher has also been very busy creating a video history of the Oak Ridges Trail Association. He is planning to create a DVD, available later in the year, and hopes to present it at a fall Discovery Night. Copies will be prized keepsakes for ORTA members. Thanks Stan for all your work!

The Challenge- Will you earn the ORTA 25 Year Crest? The proposal was made to the Board, and endorsed, that a special crest would be designed for our 25th, to be earned by participating in 25 ORTA guided hikes anytime during 2017. The aim is to encourage ORTA hikers and others to experience many different trails and meet the leaders who plan the hikes, on the Moraine or elsewhere. A tracking sheet is available on the ORTA website under the "Hike" heading.. Just list hike dates, locations and leaders, all on the usual honour system. Present your completed tracking sheet at the AGM or later Discovery Nights to collect your 25 Year Crest. Some folks have got 15 or more on their list already.

HIKE RENDEZVOUS- This major event is still in the planning stages but should be something to look forward to this fall. Numerous hikes will be planned and led by ORTA hike leaders in the Uxbridge region. The fall colours will help us celebrate and hikers will have the option of joining friends and visitors on one of the scenic trails in Durham; slow- moderate- fast, your choice. Each leader will plan their route to finish, then go to the Rendezvous site nearby for food, pix, drinks and a social with old and new friends. Watch for details in the next edition of Trail Talk. See you on trail—and bring some friends!

ORTA SUMMER 2017 HIKE SCHEDULE

PLEASE TAKE NOTE OF HIKES LISTED ON THE ORTA WEBSITE. OCCASIONALLY THERE ARE ADDITIONAL HIKES OR CORRECTIONS ADDED AFTER PRESS TIME.

- Remember that it is your responsibility to dress appropriately! Hat, gloves, gaiters, umbrella, may be needed. Wear sturdy hiking boots appropriate to changing precipitation and temperature; no cotton socks, use a liner sock plus a hiking sock. Dress in layers as conditions can vary widely within a short time or distance. Waterproof boots, jacket and pants recommended. Hiking poles optional.
- Keep these in the car: plastic bags for muddy boots, spare footwear, spare dry/warm clothes.
- Drinks and snacks recommended for all hikes and lunch may be needed for longer ones.
- Dogs: It is the hike leader's decision whether to allow dogs on hikes. If not specified in the hike listing, call the leader beforehand. Many landowners regulate that dogs shall be on leash. ORTA hikers and leaders will adhere to this policy. In all cases, dogs are expected to be well mannered and under strict control by their owners, out of consideration and safety for fellow hikers, other trail users and the environment.
- Winter Months: Late fall, winter and early spring are characterized by variable and unpredictable weather and trail conditions, in particular ice and snow. Conditions on the trail will often vary significantly from those outside your front door. For hiker and group safety, based on trail conditions, hike leaders may require participants to use icers or snowshoes to participate in the hike. If concerned, contact hike leader beforehand.
- In case of inclement weather, call the hike leader to confirm the hike.
- Be aware that parking areas are public places; refrain from keeping ANY valuables in your car.

HIKERS SHOULD ARRIVE AT LEAST 15 MINUTES BEFORE THE ADVERTISED HIKE TIME.

SPECIAL OUT-OF-TOWN HIKE

Join us on Monday September 11 for a fast hike on Beausoleil Island in the Georgian Bay National Park.

We will be on Beausoleil Island for 5 hours giving adequate time to hike 16+km of trails, relax in the beautiful island scenery and swim before returning to the mainland.

Ferry boat capacity limits the hike to no more than 20 hikers. The cost for the ferry boat ride is \$10.00 (payable in advance).

The hike is by reservation only. You must have hiked previously with Malcolm. If you wish to participate and have not hiked with Malcolm, join me on one of my fast Wednesday hikes (see the ORTA hike calendar for schedule) letting me know your interest in hiking Beausoleil Island with me in September.

Contact Malcolm Hann 905-477-7260 (any day before 10:00PM) to reserve your place.

I will organize a car shuttle for those who need it from Newmarket to the hike meeting place on Georgian Bay and provide driving instructions for those who wish to drive alone.

Malcolm Hann

ORTA HISTORY

In the early days of Harold's Wednesday Hike program a frequent participant became known as The Chocolate Lady! Do you remember her? Why? What was her name?

If you know the answers, or if you have other special reminiscences of ORTA activities, please send to me at history@oakridgestrail.org. Thanks,

Stan Butcher

ORTA AROUND THE WORLD: VIMY MEMORIAL – 2017

In April, four ORTA members visited the Vimy Ridge Memorial near Arras in northern France on the occasion of the one hundredth anniversary of the significant Canadian victory near the end of WW1. It has been described as one of the achievements and sacrifices that helped to forge our nation. Wilma and Brian, and Bob and Judy, arrived at the site on a sunny April morning and were immediately greeted by a double flypast of 3 replica

WW1 biplanes. A Canadian student gave us a personal tour, sharing the history and the importance of Canada's role in ending the Great War. The historic grounds were donated to Canada by

France and the Vimy Memorial, designed by Walter Allward, took 11 years to build and was restored in 2007. The gleaming white pillars and statues tower above the surrounding landscape. A week after our peaceful visit, more than 25,000 Canadians visited to pay tribute to their memory of the fallen. The monument evokes strong feelings as the inscription reads—"To the valour of their countrymen in the Great War and

in the memory of their 60000 dead this monument is raised by the people of Canada."

ORTA MEMBERS TRAINED IN INVASIVE SPECIES REPORTING

by Frank Alexander

Trail Captain and Whitchurch-Stouffville co-chair Jim Rhyness pulls back a slingshot to hurl a rubber ball into the branches of a tree infected by Hemlock Woolly Adelgid. The idea is that the woolly egg sacs would attach to the Velcro on the balls. This method is used since hemlock can grow so tall and the species is so tiny that early detection is key but visual monitoring is a challenge.

Twenty-five ORTA hike leaders and trail captains attended an Invasive Species Workshop on Saturday, April 29, hosted by Invasive Species Specialist Dayna Laxton of York Region Forestry. Dayna was aided by Colin Cassin and Kellie Sherman of the Ontario Invasive Plant Council (OIPC).

This Early Detection and Rapid Response workshop armed ORTA members with the knowledge and tools to identify and report invasive species. It combined classroom lectures with hands-on exercises in a lab environment where the participants learned to mock-up wood samples using hand drills with simulated tell-tale signs of infestation. In the afternoon, the group took a hike to the eastern part of the forest tract to spot simulated infected trees.

At the start of the hike, Colin pointed out a tree simulating infestation by Asian Long Horned Beetle with clear egg-laying (oviposition) sites and exit holes. This is on permanent display in the Hollidge tract and includes an accompanying sign giving detailed information.

Near the stream in the eastern end of Hollidge, The 25 participants formed into teams to identify simulated egg clusters of the Hemlock Woolly Adelgid high up in the Hemlock branches using binoculars. Next, the teams were given slingshots with balls covered in Velcro. They would sling the balls into the branches of the infected tree. If the shot was good, the ball would return with eggs stuck on the Velcro, confirming the tree was infected.

The ORTA members really enjoyed the combination of lectures and exercises. The hands-on sessions kept the interest high and made sure the information sank in. A must-have technical resource to take with you into the woods is the pocket-size 'Quick Reference Guide to Invasive Plant Species' available on the <http://www.ontarioinvasiveplants.ca/> site which you can either order or download.

Many of the attendees look forward to incorporating invasive species reporting into their hike leading or trail maintenance duties. On the <http://www.eddmaps.org/Ontario/> website, you can download either the Apple or Android app for your smartphone, or report sightings directly on the website. You can also call the Invading Species Hotline: 1-800-563-7711. Several attendees have already downloaded the app but you don't have to be a hike leader or trail captain to participate in Invasive Species reporting. Please consider getting involved yourself.

TRAIL BITES – NATHAN’S RESTAURANT, COPPIN’S CORNERS

perogies! Nathan “cooks with love,” and you’ll taste the result in this friendly location.

A welcome re-opening along the Oak Ridges Moraine Trail is Nathan’s Restaurant in Coppin’s Corners. In past years we all knew this as Fast Eddie’s. Nathan and his wife come from a successful career in their Newmarket restaurant after emigrating from Sri Lanka 32 years ago. They have a full range of food on the menu from sandwiches, soups, salads and on to larger meals such as souvlaki and perogies. Wilma can attest to the delicious taste of the
