25
YEARS

ACROSS THE MORaine

The Oak Ridges Trail Association Story - 1992-2017

I have, at last, completed compiling this account of our ongoing journey.

It's quite a story . . . 192 lavishly illustrated pages configured for comfortable reading on your laptop.

Almost 150 diagrams, tables and historic map sections showing how the association grew and the trail was developed, plus 275 photographs, mostly in full colour.

It's under a new tab on the association's website – HISTORY. It's the story of so many people who love the moraine's countryside and communities enough to establish, maintain and hike the Oak Ridges Moraine Trail. If you've participated it's likely you'll find yourself somewhere.

Stan Butcher

The Oak Ridges Trail Association would like to thank and congratulate Stan Butcher for his tremendous accomplishment of compiling The Oak Ridges Trail Association Story: 25 Years Across the Moraine: 1992 – 2017, a comprehensive account of the ORTA's formation and the development of the Oak Ridges Moraine Trail. Stan has been actively involved in the ORTA for years, including serving as President from 2004 to 2009, and this history reflects his deep commitment to the Oak Ridges Moraine and to the Oak Ridges Moraine Trail. The entire history can be read and downloaded for free from the History tab of the ORTA's website.

In honour of Stan's accomplishment and his commitment and dedication, we ask that you please donate generously to the ORTA by visiting: <http://www.oakridgestrail.org/donate/> and selecting HISTORY as your contribution type. Your donation will contribute to the conservation of the Oak Ridges Moraine and make it available for generations to enjoy along the Oak Ridges Moraine Trail.

PRESIDENTS REPORT SPRING 2020

It seems to me that the first item of business is to extend our sincere thanks to former President Stan Butcher for his outstanding work chronicling ORTA's history. This highly readable accounting of the trials and tribulations of our organization is an easy read that makes one aware of the struggles undertaken to become one of the most respected hiking related groups in the province. Well done Stan!

This has been a quiet period for us as things seem to slow down over the winter time. No new projects are underway and your Board met on November 23rd and January 11th to address day to day matters.

Wearing my other hat as Hike Leader Instructor for ORTA I plan to put on a hike leader course on April 5th, 2020. If you are a moderately experience hiker this may be an opportunity to take your commitment to ORTA and to hiking itself to another level. You would probably be out hiking with one of our groups anyway so why not become a leader?

The Hike Ontario Provincial Certification is granted to all who complete the course successfully. The course is comprehensive and will cover all facets of hike leadership preparing you to become a successful leader. In addition ORTA will mentor you through your first few hikes and ensure you are well grounded before setting out on your own.

Location is at the beautiful Bill Fisch Centre in the Hollidge Tract. This is an opportunity for experienced hikers to add a new dimension to their repertoire of hike related skills. The registration fee is \$60.00 which is reimbursed to candidates who go on to lead 6 hikes in the coming year. In addition 50% of the cost of the basic first aid course (to be taken at some point) will also be covered by ORTA. This course will be open for individuals outside of ORTA in addition to ORTA members. Please contact me at pres@oakridgestrail.org or 416 655-2256 for further details.

ORTA SPRING 2020 HIKE SCHEDULE

PLEASE TAKE NOTE OF HIKE LISTED ON THE ORTA WEBSITE. OCCASIONALLY THERE ARE ADDITIONAL HIKE OR CORRECTIONS ADDED AFTER PRESS TIME.

- Remember that it is your responsibility to dress appropriately! Hat, gloves, gaiters, umbrella, may be needed. Wear sturdy hiking boots appropriate to changing precipitation and temperature; no cotton socks, use a liner sock plus a hiking sock. Dress in layers as conditions can vary widely within a short time or distance. Waterproof boots, jacket and pants recommended. Hiking poles optional.
- Keep these in the car: plastic bags for muddy boots, spare footwear, spare dry/warm clothes.
- Drinks and snacks recommended for all hikes and lunch may be needed for longer ones.
- Dogs: It is the hike leader's decision whether to allow dogs on hikes. If not specified in the hike listing, call the leader beforehand. Many landowners regulate that dogs shall be on leash. ORTA hikers and leaders will adhere to this policy. In all cases, dogs are expected to be well mannered and under strict control by their owners, out of consideration and safety for fellow hikers, other trail users and the environment.
- Winter Months: Late fall, winter and early spring are characterized by variable and unpredictable weather and trail conditions, in particular ice and snow. Conditions on the trail will often vary significantly from those outside your front door. For hiker and group safety, based on trail conditions, hike leaders may require participants to use icers or snowshoes to participate in the hike. If concerned, contact hike leader beforehand.
- In case of inclement weather, call the hike leader to confirm the hike.
- Be aware that parking areas are public places; refrain from keeping ANY valuables in your car.

HIKERS SHOULD ARRIVE AT LEAST 15 MINUTES BEFORE THE ADVERTISED HIKE TIME.

Thank you to Brian and Wilma Millage for coming to the City of Richmond Hill's Ward 4 EnviroFest on Mill Pond Park October 5, 2019. You provided lots of promotional materials and were a huge help to Lisa Li and myself. Thank you for sharing your ideas on how better to promote the trail to the residents. I can say that we had a very successful day. The four of us distributed lots of trail maps, membership flyers and extra newsletters. We even demonstrated icers as well. Hope that we will see some new people come to our hike and join as members. Thank you everyone! See you on the Trails!

"HEART OF TURTLE ISLAND: THE NIAGARA ESCARPMENT" + "Books That Heal"

Award-winning photographer and publisher Mark Zelinski presents a Power Point of photographs and stories from his ninth

book "HEART OF TURTLE ISLAND: THE NIAGARA ESCARPMENT". The images bring exquisite focus to the environmental treasures of the magnificent Niagara Escarpment, celebrating the diverse Indigenous and settler communities that thrive along its rugged, curving path. Its aquifers and ecosystems support hundreds of at-risk species that coexist alongside the most densely populated and heavily developed region in Canada.

Also included in this presentation, images and travel/cultural stories and experiences from Mark's 80-country BOOKS THAT HEAL Initiative.

Mark Zelinski has donated 7,000 copies of his three photography books, "Untitled", "From the Field" and "One Small Flame" to poor children and 100 charities around the world. A preview of Zelinski's upcoming book "Niagara: Land Between Two Waters" will be shown as well.
